			Elliat Graney-Saucke	I am a documentary filmmaker and run a media communications agency focused on heritage. I moved back to Seattle in 2015 after completing an MA in World Heritage Studies at the Brandenburg University of Technology in Cottbus, Germany. During my time in Berlin I also co-founded/directed the international arts and heritage conference "Innovate Heritage: Conversations between Arts & Heritage." I am very interested in connecting with the work around arts and heritage being done locally, learning more and finding ways to be involved. Thank you.
