

The Washington State Historical Society is pleased to announce the Heritage Capital Projects 2017-2019 Prioritized Projects List!

The Legislature uses this list as they determine the 2017-2019 state capital budget. This is a ranking and is not considered a promise of funding unless appropriated in the Legislature’s final budget. These projects have been ranked by a peer-review panel for inclusion in the budget request the Washington State Historical Society forwards to the State Legislature. This year, WSHS is requesting a total of \$8,985,520.91 for the projects listed.

For questions about this list or the Heritage Capital Projects program, please contact Janet Rogerson (janet.rogerson@wshe.wa.gov) or Lissa Kramer (lissa.kramer@wshe.wa.gov).
